JANSEVITT began its operations in June 1989 as Jansevitt Fashion Shoppe as a dress making shop by an enterprising housewife who grew the business by specializing in the creation of fashionable and high quality clothing and uniforms for offices, schools, hotel, factory and other purposes. Our line of apparel includes uniforms, laboratory gowns, scrub suits, T-shirts, suites, caps including any or all their related accessories. Since then it grew and won the trust and loyalty of most of the top 5000 business entities in the Philippines today. **To name a few, our valued clients include SM Group of Companies, Manila Pavilion Hotel, Jollibee Food Corporation , St. Luke's Medical Center.** These companies, being in the frontline and customer oriented business, demand high level of fashion sense but with quality that can withstand heavy wear and tear. JANSEVITT's valued reputation is now earning for us new customers in almost all sectors of the market today.

In line with the vision to be world class JANSEVITT incorporated itself as JANSEVITT INT'L INC in the year 2000 as it ventured into opening a branch in Canada which became a testimony that our products and services can compete in the international arena.
